

Star 8

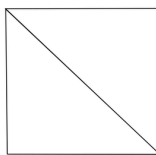

How to make star 8

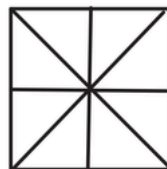

- Cut 4 ($4\frac{1}{4}$ " x $4\frac{1}{4}$ ") from light fabric A
- Cut 1 ($6\frac{1}{2}$ " x $6\frac{1}{2}$ ") from light fabric A
- Cut 1 WOF x $1\frac{3}{4}$ " from medium fabric B
- Cut 1 WOF x $1\frac{3}{4}$ " from dark fabric C

Prepare the fabrics:

Cut the 4 small squares diagonally

Cut the 1 large square diagonally making 8 triangles

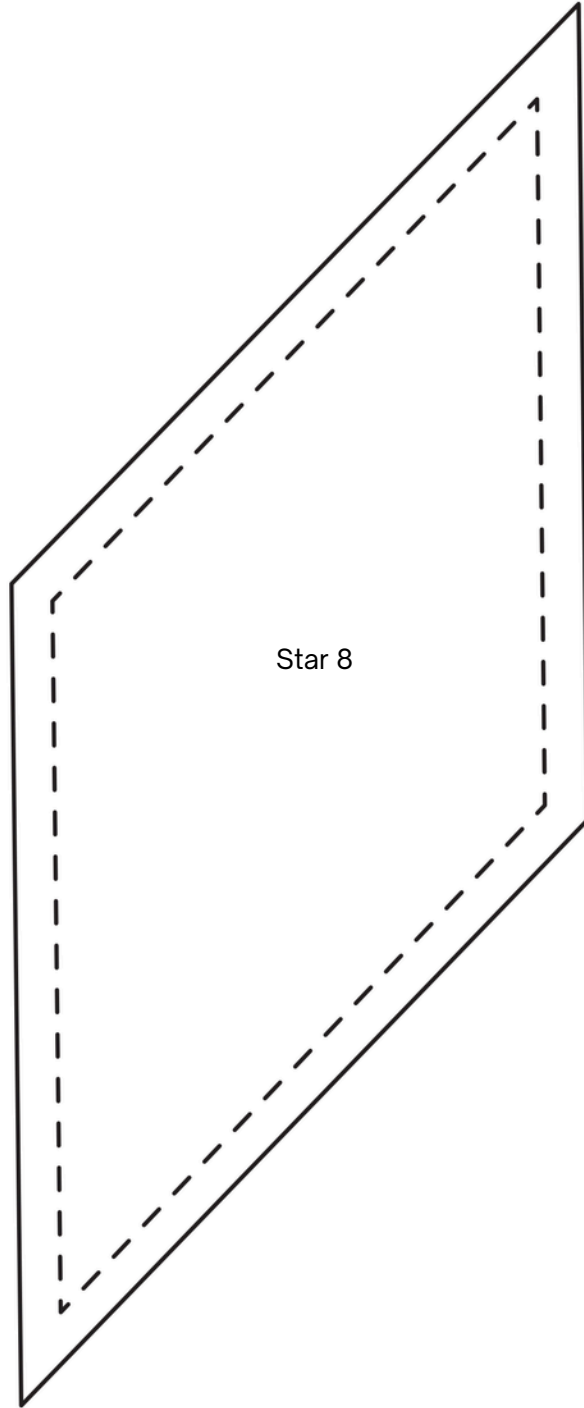

Take the long strips and sew right sides together, press the seam to one side.

Using the template provided cut 4, flip the template over and cut another 4, so you have a mirror image of the design. Please watch the video.

I will show you in the video the piecing together. Please accept that these are cutting instructions only, so you are ready to sew along with me.

Please watch the video for a full tutorial, these instructions are a guide.
