

Star 1

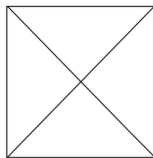

How to make star 1

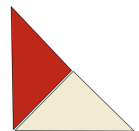

Cut 4 (4½" x 4½") from the lighter colour, A.
Cut 1 (4½" x 4½") from the dark colour, C.

Cut 1 (5½" x 5½") from the lighter colour, A.
Cut 1 (5½" x 5½") from the medium colour, B.
Cut 2 (5½" x 5½") from the dark colour, C.

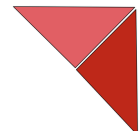

Cut all 5½" into quarters diagonally.

Sew together 1 "C" and 1 "A", making sure you sew on the bias edges

Sew together 1 "B" and 1 "C" making sure you sew on the bias edges.

Sew the triangles together to make 4 squares as shown on the pattern above. Trim to 4½" x 4½".

Now sew together the squares to form row 1, then 2, then 3.

Now sew the rows together.
